**REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR 1.323**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

It is requested that a Certificate of Correction be issued correcting printing errors appearing in the above-identified United States patent application that is scheduled to issue as U.S. Patent No. 8,208,613 on June 26, 2012. One copy of the text of the Certificate in the suggested form is enclosed.

On May 8, 2012, an issue fee was filed listing the Assignee as "AT&T Intellectual Property I, LP." However, the issued patent should list the Assignee as "AT&T Intellectual Property II, L.P." As some of the errors listed are due to Applicant's mistake, please charge our credit card in the amount of \$100.00 to cover the Certificate fee under 37 CFR 1.20(a).

This request for a Certificate of Correction is being submitted along with a request for issuance of the above-referenced application in the name of the correct Assignee and a statement that the Assignments were submitted for recordation before issuance of the patent as required under 37 CFR 3.81(b).

Issuance of the Certificate of Correction would neither expand nor contract the scope of the claims, and re-examination is not required.

Respectfully submitted,

HOPE BALDAUFF HARTMAN, LLC

/Jodi L. Hartman/

Date: June 21, 2012
